¹ if any adult wishes to swim at times when the pool is not open to the public and there is no lifeguard, there are strict conditions and you must sign the consent form at the bottom of Part Two of this application form

Part Two: Adult Swimming Club

To swim at times other than public swimming opening hours, each adult must be a season ticket holder and each MUST sign the adult Swimming Consent Form below. We will ensure you have all the relevant information to get into the pool building.

Adult Swimming Times (Strictly Season Ticket Holders only)

Each day 6.30am to 8.30am and 6pm to 8pm (*these may be subject to change*).

On days where we have received evening bookings for use of the pool, there will be no season ticket holder swimming, but we will endeavour to put a note on the Adult Swimming Facebook page to let you know this.

New adult season ticket holders should ask one of the committee to show you how to gain access to the building, how the swimming pool covers are operated and what needs to be done when you leave. Or go with a regular adult swimmer who knows how to do all of this.

Rules of Club Membership:

1. There is strictly no lone swimming. There must always be at least one other adult swimmer or competent adult watching from the side before entering the pool
 2. Do not dive into the pool
 3. Do not enter the pool when under the influence of alcohol or drugs
- Please notify any member of the committee if you witness non-compliance with these rules.

2. If you are taking prescription drugs check to see if they induce drowsiness and follow the guidelines published by the manufacturer
